

CARBON EMISSION ESTIMATES DISCLOSURE STATEMENT

This document serves as a formal declaration regarding the provision of carbon emission estimates by Mayco International, LLC.

Purpose: The purpose of this statement is to clarify the extent and limits of our responsibility concerning carbon emission estimates provided by us or derived from our tools, products, or services.

Disclosure: The carbon emission estimates provided by Mayco International, LLC are based on available data, standardized calculation methodologies, and best-known practices at the time of estimation. These estimates are intended for informational, educational, and/or comparative purposes only. They are not intended to serve as a definitive account of actual carbon emissions or to substitute for professional or regulatory assessments. Users of our estimates are advised to seek independent verification or professional advice when making decisions based on these figures.

Limitation of Liability: Mayco International, LLC does not guarantee the accuracy, completeness, or suitability of the carbon emission estimates for any specific purpose. We shall not be held responsible or liable for any inaccuracies, errors, or omissions in the provided estimates, nor for any actions taken in reliance thereon. We expressly disclaim any legal responsibility for any direct, indirect, incidental, special, consequential, or other damages, including but not limited to, loss of profits, business interruption, or loss of data, arising out of or in connection with the use of our carbon emission estimates.

Acknowledgment: By utilizing our carbon emission estimates, users acknowledge and agree to this disclosure and understand the limitations and responsibilities as stated herein.

Updates and Revisions: Mayco International, LLC reserves the right to revise, update, or modify this disclosure statement at any time. It is the responsibility of the user to stay informed of any changes. **Effective Date: 08/30/2023**
